

Eligibility

Each K-8/K10 school in the North Pacific Union Conference is eligible for financial reimbursement on approved expenditures for instructional resource materials. This matching fund program is optional to schools. NOTE: Elementary teachers in K-12 senior academies are subsumed in the reimbursement to the academy.

Amount of Reimbursement

The NPUC Education Fund will reimburse 75% of approved expenditures for educational materials up to \$200 spent per full-time teacher. At this maximum the NPUC would reimburse \$150 per full-time teacher. The purchased materials are the property of the school, unless with prior approval of the conference superintendent, the teacher uses personal funds. In this case, the material may be considered the property of the teacher.
